COLLABORATIVE PROJECTS

Tukuy - 3D Animator

September 2025 - May 2026

- Focused on creating a realistic movement to two fictional characters in a 3D space through animation. Adapted to the phase of production of the film by always creating motion tests, updating shots, and requesting critique. Animated within Maya.
- Volunteered to help our tech artists by modeling background foliage in Maya, learning to CFX multiple shots in Houdini, and learning to composite in Nuke for the final film.
- Provided daily meeting notes in Microsoft Word to help organize the progress of the film. Worked closely with the producer on scribing to ensure productivity and efficiency for the film.

Egg Fried Riot - 3D Animator

January 2025 - March 2025

- Served as a 3D animator on the film. Balanced realism and cartoony looks with the two characters in the film. Aided in ideating shots for the film through storyboards and concept art. Animated within Maya.
- Assisted in lighting multiple shots in the film with Arnold in Maya.

WORK EXPERIENCE

Peggy Newman Designs - Design Assistant

August 2018 - May 2022

- Assisted with interior finish selections and did website design in SquareSpace.
- Utilized Adobe Photoshop to produce finalized content of homes for listings and websites.
- Applied Microsoft Excel to all working houses to keep track of photos, contact information, and the stages of completion the listings are.

Denny's - Server/Hostess

June 2024 - Present

- Provided attentive service by keeping track of dietary restrictions, kept updated with the changes in the menu, and evaluated their food coming out of the kitchen.
- Actively multi tasked by seating guests, handling the POS system, coordinated to-go orders, and took on tables to ensure everyone was cared for. Adjusted communication to ensure each customer's satisfaction.
